

# Understanding the Municipal Advisor Principal Qualification Examination (Series 54)

JANUARY 2019

Produced by the  
Municipal Securities Rulemaking Board

This guide, published by the Municipal Securities Rulemaking Board (MSRB), is intended to assist individuals preparing to take the Municipal Advisor Principal Qualification Examination (Series 54). The guide includes information about the voluntary Series 54 pilot, which will be offered from March–July 2019, and supplements information provided in the [Series 54 content outline](#), which sets forth key concepts and rules to be tested on the examination and the percentage of the examination devoted to each topic area.<sup>1</sup> The permanent Series 54 is expected to be available in Fall 2019.

<sup>1</sup> On December 20, 2018, the MSRB filed the Series 54 content outline with the U.S. Securities and Exchange Commission (SEC) for immediate effectiveness. See File No. SR-MSRB-2018-10.

# Examination Principles

The MSRB is charged with setting professional qualification standards for municipal advisors, including prescribing standards of training and competence necessary for the protection of investors and municipal entities or obligated persons. Every municipal advisor firm and its associated persons must meet the standards of professional qualification in order to engage in municipal advisory activities.<sup>2</sup> Municipal advisor representatives—those who engage in municipal advisory activities—must pass the Municipal Advisor Representative Qualification Examination (Series 50) to become appropriately qualified as a municipal advisor representative. Municipal advisor principals—those who engage in the management, direction or supervision of the municipal advisory activities of the municipal advisor and its associated persons—must pass the Series 50 and the Series 54 prior to becoming appropriately qualified as a municipal advisor principal.<sup>3</sup>

The Series 54 is designed to establish that municipal advisor principals have a specified-level of competence. Given the role of a municipal advisor principal, such individuals must not only possess a broad knowledge of the activities engaged in by the municipal advisor firm, but also a sound understanding of the regulatory requirements governing the firm and the municipal advisory activities in which the firm engages. More specifically, the Series 54 will measure an individual's ability to apply the applicable regulatory requirements to the municipal advisor's activities.

While some topics covered in the Series 50 are also covered in the Series 54, questions on the Series 54 are designed to test an individual's understanding of the supervisory application of rules and regulations rather than a baseline knowledge of the regulatory requirement. For example, the Series 50 may test an individual's knowledge with respect to political contributions under [MSRB Rule G-37](#), on political contributions and prohibitions on municipal securities business and municipal advisory business, whereas the Series 54 would test an individual's knowledge with respect to political contributions and the requisite quarterly filings and disclosures that must be made to the MSRB regarding political contributions.

<sup>2</sup> [MSRB Rule G-2](#). As defined in [MSRB Rule D-13](#), except as otherwise specifically provided by rule of the Board, *municipal advisory activities* mean those activities described in Section 15B(e)(4)(A)(i) and (ii) of the Securities Exchange Act of 1934 (the "Exchange Act") and rules and regulations promulgated thereunder. Exchange Act Rule 15Ba1-1(e) defines the term *municipal advisory activities* to mean [p]roviding advice to or on behalf of a municipal entity or obligated person with respect to municipal financial products or the issuance of municipal securities, including advice with respect to the structure, timing, terms, and other similar matters concerning such financial products or issues; or (2) [s]olicitation of a municipal entity or obligated person. The term *solicitation of a municipal entity or obligated person* means a direct or indirect communication with a municipal entity or obligated person made by a person, for direct or indirect compensation, on behalf of a broker, dealer, municipal securities dealer, municipal advisor, or investment adviser (as defined in Section 202 of the Investment Advisers Act of 1940) that does not control, is not controlled by, or is not under common control with the person undertaking such solicitation for the purpose of obtaining or retaining an engagement by a municipal entity or obligated person of a broker, dealer, municipal securities dealer, or municipal advisor for or in connection with municipal financial products, the issuance of municipal securities, or of an investment adviser to provide investment advisory services to or on behalf of a municipal entity. See 15 U.S.C. 78o-4(e)(9).

<sup>3</sup> After the pilot period for the Series 54 concludes, the MSRB will announce in an MSRB Notice the date the permanent Series 54 will become available. Once the permanent Series 54 becomes available, persons who engage in the management, direction or supervision of the municipal advisory activities of a municipal advisor and its associated persons will have a one-year grace period to become appropriately qualified as a municipal advisor principal. During this one-year grace period, persons qualified with the Series 50 examination would be permitted to continue to engage in municipal advisor principal activity. See [MSRB Notice 2018-30 \(Nov. 28, 2018\)](#).

## Examination Structure

The Series 54 consists of 100 multiple-choice questions, drawn from a larger collection, or bank, of available questions.<sup>4</sup> The questions are intended to measure the degree to which candidates have demonstrated the knowledge and skills necessary to perform the responsibilities of a municipal advisor principal consistent with the requirements under the rules and the tasks covered in the content outline. The Series 54 questions are categorized into the following three topic areas.

Topic	Number of Questions
Understanding the Municipal Advisor Regulatory Framework	25
Supervising Municipal Advisory Activities	35
Supervising Municipal Advisor Firm Operations	40

## Question Structure

Each test question is structured with a stem—the part of the question that sets forth the premise, including facts and details around which the question is based—and four answer choices. Four types of questions are used on the Series 54: open-stem, closed-stem, except (or not) and Roman numeral.

An **open-stem question** is a question with an incomplete statement that, with the correct answer choice, makes a complete and correct statement. Sample No. 1 is an example of an open-stem question.

### SAMPLE NO. 1

Under MSRB rules, a municipal advisor principal reviewing written conflicts of interest disclosures must assess whether the:

- A. municipal advisor has provided the municipal entity a copy of its MSRB Form A-12.
- B. written disclosures were made prior to or upon engaging in municipal advisory activities.**
- C. municipal advisor has provided the municipal entity an inventoried list of the requisite knowledge and experience to fulfill the duty of care.
- D. written disclosures were acknowledged in writing by the municipal entity.

<sup>4</sup> The 100 questions are randomized from a bank of Series 54 questions, with each examination having the same content and the same overall difficulty. The Series 54 will also contain an additional 10 unscored pretest questions.

A **closed-stem question** is a complete sentence ending in a question mark. The question must be answered by choosing the correct answer from among the four options provided. Sample No. 2 is an example of a closed-stem question.<sup>5</sup>

### **SAMPLE NO. 2**

A municipal advisor representative plans on distributing a letter to 50 existing clients promoting the services of the municipal advisor firm and the representative asks the municipal advisor principal if the letter requires approval prior to distribution. What should the municipal advisor principal tell the representative regarding the letter?

- A. If the letter is to be sent to only existing clients, no approval is necessary
  - B. Approval is required prior to sending because the letter is promotional in nature and being broadly distributed**
  - C. If there is no call to action in the letter, no approval is necessary
  - D. Approval is required, but only after the letter is sent to clients
- 

An **except (or not) question** is a question that requires an answer that is incorrect or is an exception to the rule discussed in the question stem. The answer choices will contain three statements that are accurate and one statement that is not accurate. The correct answer choice in an except (or not) question is the statement that is not accurate. Sample No. 3 is an example of an except (or not) question.

### **SAMPLE NO. 3**

A municipal advisor principal reviewing the firm's registration on MSRB Form A-12 must consider all of the following **except**:<sup>6</sup>

- A. Whether the firm has advised both municipal entities and obligated persons in the last year.**
  - B. Whether there has been a change in the firm's designated contacts.
  - C. Whether the firm also engages in underwriting activities.
  - D. Whether the firm engages in solicitation on behalf of a non-affiliated municipal advisor.
- 

<sup>5</sup> An examination will not contain questions that test new rules or amendments until after the effective date of the new rule or amendment.

<sup>6</sup> The term 'except' or 'not' will be bolded in the examination to clearly highlight that the question is an except (or not) question.

A **Roman numeral question** is a question with two correct answers. The answer choices contain two statements that are accurate and two statements that are not accurate. The correct answer choice is the one that includes both correct statements. Sample Nos. 4 and 5 are examples of Roman numeral questions.

#### **SAMPLE NO. 4**

A municipal advisor principal is advising her municipal advisor representatives on requirements under the MSRB rule relating to gifts and gratuities, non-cash compensation and expenses of issuance. Which of the following statements would be accurate under the MSRB rule?

- I. Entertainment expenses can be included as reimbursable expenses from the bond proceeds
  - II. Reasonable and customary bereavement gifts are excluded from calculations when determining the aggregate amount of gifts given to a particular client
  - III. When determining the value of a gift, the tax and delivery charges must be included
  - IV. For the purpose of determining the value of an event ticket, the higher of the face value or purchase price should be used
- A. I and III
  - B. I and IV
  - C. II and III
  - D. II and IV**

#### **SAMPLE NO. 5**

Under MSRB rules on supervision of municipal advisory activities, which two of the following actions is a municipal advisor firm required to take?

- I. Designate a chief compliance officer
  - II. Provide a quarterly disclosure with respect to any inadvertent advice
  - III. Adopt a written code of ethics
  - IV. Review the firm's supervisory policies annually
- A. I and III
  - B. I and IV**
  - C. II and III
  - D. II and IV

---

These sample questions are only intended to assist in understanding the various types of multiple-choice questions that may appear on the Series 54. The sample questions are similar in format to those on the Series 54, but may not represent either the level of difficulty or content covered on the examination.<sup>7</sup> The questions on the Series 54 are designed to test an understanding of the requirements under the rules and principles covered in the content outline and not designed to test the best practices that could be implemented, but which are not specifically required.

<sup>7</sup> The MSRB plans to update the sample questions in the content outline to use the samples as shown above.

# Frequently Asked Questions on the Series 54 Pilot Examination

## 1. Who can take the Series 54 pilot?

Any individual engaged in the management, direction or supervision of the municipal advisory activities of the municipal advisor firm and that of its associated persons<sup>8</sup> who is interested in taking the Series 54 pilot can do so if the individual signs up during the pilot exam enrollment period of March 4 – March 15, 2019.

## 2. Will everyone taking the Series 54 pilot be administered the same test?

No. As is the case with other qualification examinations, questions appearing on the Series 54 pilot will be randomized from a bank of exam questions with each test covering the same content and generally having the same overall difficulty.

## 3. How long will the Series 54 pilot be available?

Each individual who enrolls to take the Series 54 pilot will have a 120-calendar day period to take the exam. Accordingly, while the enrollment period ends March 15, 2019, the Series 54 pilot period runs through the end of July 2019.

## 4. How many questions will be on the Series 54 pilot?

The exam will contain a total of 110 multiple-choice questions; 100 questions are test questions that will be scored and an additional 10 questions are unscored pretest questions.

## 5. How much time will be allotted to take the Series 54 pilot?

Individuals will have 180 minutes to complete the Series 54 pilot. Before the 180-minute testing period begins there will be a brief tutorial on the administration of the computerized exam.

## 6. Can an individual take the Series 54 pilot more than once during the pilot period?

No. An individual may only take the Series 54 pilot once during their 120-calendar day period.

## 7. If an individual passes the Series 54 pilot, will that individual also have to take the permanent Series 54 when it becomes available?

No. An individual who passes the Series 54 pilot will be qualified as a municipal advisor principal once the permanent Series 54 becomes available and will not be required to take the permanent Series 54.

<sup>8</sup> Pursuant to MSRB Rule G-3(e), on numerical requirements, every municipal advisor must have at least one municipal advisor principal. Additionally, MSRB Rule G-44, on supervisory and compliance obligations of municipal advisors, provides that a municipal advisor must designate one or more municipal advisor principals to be responsible for the supervision of the municipal advisory activities of the municipal advisor firm and its associated persons.

**8. How does an individual enroll to take the Series 54 pilot?**

All municipal advisors firms, whether or not the firm is a FINRA member broker-dealer, must utilize the Financial Industry Regulatory Authority's (FINRA) Test Enrollment Services System (TESS) to enroll individuals to take the Series 54 pilot.<sup>9</sup> Once the individual's exam enrollment request has been processed by FINRA, FINRA will send an email notification to the individual, who can then schedule an appointment with a Prometric testing center to take the Series 54 pilot. An individual must schedule a time to take the Series 54 pilot within the 120-calendar day period prior to the expiration date shown on the email notification.

**9. How do I schedule an appointment with a Prometric testing center to take the Series 54 pilot?**

Once the TESS enrollment has been processed by FINRA and the individual has received notice of its 120-calendar day enrollment window, the individual can schedule an appointment with a Prometric testing center to take the pilot Series 54. An appointment can be made by contacting the testing center either using the online web registration page or by phone:

- Prometric: [www.prometric.com/finra](http://www.prometric.com/finra)  
or 800-578-6273 (toll free)

If an individual chooses to call a selected testing center to schedule the examination, the call center representative will need the following information:

- Individual's name and unique ID number given to the individual upon completing the TESS enrollment process;
- Individual's contact phone number; and
- The name of the qualifying examination or its identifying series ID (*i.e.*, Municipal Advisor Principal Qualification Examination or Series 54).

**10. When will individuals be notified of their exam results and whether they have passed the pilot exam?**

The MSRB will notify individuals who took the Series 54 pilot of their exam results by email in Summer 2019.
