

MuniEdPro® is a catalog of online courses designed specifically for municipal market participants. These free courses, developed by the Municipal Securities Rulemaking Board (MSRB), provide content relevant to municipal market activities and regulations. Each MuniEdPro® course allows the learner to apply MSRB rules to real-world scenarios. Courses are available through three access options.

Individual Access

- Go to <https://MSRB.csod.com/client/msrb/default.aspx>
