

Tour EMMA®'s Homepage

The Municipal Securities Rulemaking Board (MSRB) has enhanced the design and organization of its [Electronic Municipal Market Access \(EMMA®\)](#) website to make it easier for investors, state and local governments, and other market participants to find important information about municipal securities. Discover new ways to use EMMA to make informed decisions in the municipal market.

Discover new ways to use EMMA.

What's New

Easier Browsing

A pilot feature allows EMMA users to browse a searchable directory of all state, city, county and other municipal securities issuers in a particular state. Clicking on any issuer name will display a consolidated view of available information about that issuer's securities, including trading activity, disclosure documents and contact information for investors.

Spotlight on Ways to Use EMMA

A rotating carousel on the redesigned EMMA homepage integrates multimedia resources about using EMMA and understanding the municipal market.

Daily Market Recap

A snapshot of the most actively traded fixed-rate municipal securities emphasizes the dynamic nature of the municipal market.
