The proposal also does not address the effect such a differential may have on the valuation of the Shares, potential pricing dislocations between the NAV per Share and Share price or between the NAV and the true value of the underlying assets, or how such dislocations might affect investors in the Shares, nor how those effects would be consistent with the Act.

For these reasons, the Commission believes it is appropriate to institute proceedings pursuant to Section 19(b)(2)(B) of the Act²⁹ to determine whether the proposal should be approved or disapproved.

IV. Procedure: Request for Written Comments

The Commission requests that interested persons provide written submissions of their views, data, and arguments with respect to the issues identified above, as well as any other concerns they may have with the proposal. In particular, the Commission invites the written views of interested persons concerning whether the proposed rule change is consistent with Section 6(b)(5) or any other provision of the Act, or the rules and regulations thereunder. Although there do not appear to be any issues relevant to approval or disapproval that would be facilitated by an oral presentation of views, data, and arguments, the Commission will consider, pursuant to Rule 19b-4, any request for an opportunity to make an oral presentation.³⁰

Interested persons are invited to submit written data, views, and arguments regarding whether the proposed rule change should be approved or disapproved by November 23, 2021. Any person who wishes to file a rebuttal to any other person's submission must file that rebuttal by December 7, 2021.

The Commission asks that commenters address the sufficiency of the Exchange's statements in support of the proposal in addition to any other comments they may wish to submit about the proposed rule change. In this regard, the Commission seeks commenters' views regarding the

Exchange's proposal to list and trade the Shares is adequately designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and to protect investors and the public interest, consistent with the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-93435; File No. SR-MSRB-2021-06]

Self-Regulatory Organizations; Municipal Securities Rulemaking Board; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Further Extend the Regulatory Relief and Permit Dealers To Conduct Office Inspections Remotely Until June 30, 2022, Pursuant to MSRB Rule G-27, on Supervision

October 27, 2021.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act" or "Exchange Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 26, 2021 the Municipal Securities Rulemaking Board ("MSRB") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the MSRB. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The MSRB filed with the Commission a proposed rule change to amend Supplementary Material .01, Temporary Relief for Completing Office Inspections, of MSRB Rule G-27, on supervision, to further extend the regulatory relief and permit brokers, dealers and municipal securities dealers (collectively, "dealers") to conduct office inspections, due to be completed during calendar year 2022, remotely until June 30, 2022 (the "proposed rule change").

The MSRB has designated the proposed rule change as constituting a "noncontroversial" rule change under Section 19(b)(3)(A)³ of the Act and Rule 19b-4(f)(6)⁴ thereunder, which renders the proposal effective upon receipt of this filing by the Commission. The

MSRB proposes an operative date of January 1, 2022.

The text of the proposed rule change is available on the MSRB's website at www.msrb.org/Rules-and-Interpretations/SEC-Filings/2021-Filings.aspx, at the MSRB's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the MSRB included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The MSRB has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The MSRB continues to closely monitor the impact on municipal market participants resulting from the coronavirus disease ("COVID-19") pandemic. In light of the operational challenges and disruptions to normal business functions as a result of the pandemic, the MSRB previously filed a proposed rule change for immediate effectiveness with the SEC in April 2020⁵ and a second proposed rule change in December 2020⁶ ("April relief" and "December relief"). In connection with the April relief, the MSRB provided additional time for dealers to complete certain supervisory obligations, including, among other things, that office inspections due to be conducted during calendar year 2020 could be conducted by March 31, 2021, but with the expectation that dealers would conduct their inspections on-site. The December relief allowed dealers to conduct their office inspections remotely that were due to be completed by March 31, 2021, for calendar year 2020 and those for calendar year 2021, subject to certain conditions being met.

Through stakeholder engagement, the MSRB has learned that dealers have delayed their return to office plans due

to the continued pandemic and are considering or have implemented hybrid work arrangements dependent on functions and regulatory requirements. To that end, in order to address ongoing industry-wide concerns regarding having to conduct in-person office inspections while safety concerns related to the pandemic persist⁷ and to align with pandemic-related regulatory relief provided by FINRA,⁸ the MSRB is proposing amendments to Supplementary Material .01 of MSRB Rule G-27. The proposed amendments to Supplementary Material .01 of MSRB Rule G-27 would allow dealers to satisfy their office inspection obligations by permitting dealers to conduct calendar year 2022 office inspections remotely until June 30, 2022, without the need to conduct an on-site visit to such office or location.⁹

The conditions required to be met for dealers to avail themselves of the option to conduct office inspections remotely remain unchanged; however, technical amendments are being proposed to paragraphs (b) and (d) to reflect the additional extension of time under the proposed rule change. Pursuant to paragraphs (b) and (d) of Supplementary Material .01 of MSRB Rule G-27, for dealers that elect to conduct their office inspections remotely, such dealers must (i) amend or supplement their written supervisory procedures as appropriate to provide for remote inspections that are reasonably designed to assist in detecting and preventing violations of, and achieving compliance with, applicable securities laws and regulations, and with applicable Board rules; (ii) use remote office inspections as part of an effective supervisory system, which would include the ongoing review of activities and functions occurring at all offices and locations; and (iii) make and maintain the required records related to remote office inspections.

⁷ See The Centers for Disease Control and Prevention ("CDC"), What You Need to Know about Variants (stating, in part, that "the Delta variant causes more infections and spreads faster than earlier forms of the virus that causes COVID-19") available at <https://www.cdc.gov/coronavirus/2019-ncov/variants/variant.html> (updated September 3, 2021).

⁸ On September 13, 2021, FINRA made a filing with the SEC for immediate effectiveness, noting that while some firms have taken affirmative steps to develop and implement phased-in office re-entry plans based on local conditions, there are many other firms that have not. See Release No. 34-93002 (September 15, 2021), 86 FR 52508 (September 21, 2021) (File No. SR-FINRA-2021-023).

⁹ As previously noted, a temporary location established in response to the implementation of a business continuity plan is not deemed an office for purposes of complying with the office inspection obligations, under MSRB Rule G-27. See *supra* note 5.

The regulatory relief provided for under the proposed rule change will automatically sunset on June 30, 2022. During this time, the MSRB will continue to monitor the effectiveness of remote office inspections on dealers' overall supervisory systems and will consider more long-term regulatory initiatives that align with and promote the evolving ways dealers are doing business and supervising the activities of the dealer and its associated persons.

2. Statutory Basis

The MSRB believes that the proposed rule change is consistent with Section 15B(b)(2)(C) of the Exchange Act,¹⁰ which provides that the MSRB's rules shall:

be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in municipal securities and municipal financial products, to remove impediments to and perfect the mechanism of a free and open market in municipal securities and municipal financial products, and, in general, to protect investors, municipal entities, obligated persons, and the public interest.

The proposed rule change is designed to provide dealers additional time to comply with certain obligations under MSRB rules for a temporary period of time; it does not relieve dealers from compliance with their core regulatory obligations to establish and maintain a system to supervise the activities of each of its associated persons that is reasonably designed to achieve compliance with applicable rules and regulations, and with applicable MSRB rules, which directly serve to protect investors, municipal entities, obligated persons, and the public interest. The MSRB believes extending the relief and affording dealers the option to conduct remote inspections in calendar year 2022, until June 30, 2022, is a prudent regulatory approach while continuing to serve the important investor protection objectives of the inspection requirements under these unique circumstances.

In a time when faced with unique challenges resulting from the sustained pandemic, the proposed rule change will afford dealers the ability to safeguard the health and safety of their personnel and to more effectively allocate resources to serve and promote the protection of investors, municipal entities, obligated persons and the public interest. In addition, the

⁵ See Exchange Act Release No. 88694 (April 20, 2020), 85 FR 23088 (April 24, 2020) (File No. SR-MSRB-2020-01).

⁶ See Exchange Act Release No. 90621 (December 9, 2020), 85 FR 81254 (December 15, 2020) (File No. SR-MSRB-2020-09).

¹⁰ 15 U.S.C. 78o-4(b)(2)(C).

proposed rule change will also alleviate some of the operational challenges dealers may be experiencing, which will allow them to more effectively allocate resources to the operations that facilitate transactions in municipal securities and municipal financial products, to remove impediments to and perfect the mechanism of a free and open market in municipal securities and municipal financial products.

B. Self-Regulatory Organization's Statement on Burden on Competition

Section 15B(b)(2)(C) of the Act requires that MSRB rules be designed not to impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.¹¹ In fact, the MSRB does not believe the proposed rule change will have any burden on competition because the proposed rule change treats all dealers equally in that all dealers have the option to elect to conduct remote inspections remotely through June 30, 2022. The goal of the proposed rule change is to grant additional time for dealers to meet their office inspection obligations, under Supplementary Material .01 of Rule G-27, while also determining how to best implement their return to office plans in a safe and effective manner during the exigent circumstances of the COVID-19 pandemic. The temporary relief afforded does not alter dealers underlying obligations under the rule.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹² and Rule 19b-4(f)(6)¹³ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such

action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
